*Proceedings of the Madras Government, Marine Department,
from 5th to 21st October 1859.*

No. 38. Read the following letter from Commander F. W. HOPKINS, I. N., Commanding Her Majesty's Steamer "Dalhousie," I. N.; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 17th October 1859.

I have the honor to report to you that 9 Seamen belonging to the "Coromandel" have been left behind here, and there is also one man belonging to H. M. S. Frigate "Punjaub." The men left their clothes and money on board the "Coromandel," and I beg to request that the accompanying service message may be sent to Captain Campbell, I. N., regarding them, and that if they are to go in the "Sydney," instructions may be issued to the Superintendent of Marine here for them to be received and provisioned on board that Vessel for passage to Calcutta.

I asked the Superintendent of Marine here to forward the message for me, but he refused to do so, and I would be unable to recover sums on contingent bills for telegraphic messages; the Telegraph Department here would not send the message except I paid for doing so.

No. 39. ORDER THEREON, 17th October 1859, No. 521.

The message received with the above letter will be forwarded to the Telegraph Office for transmission to Calcutta.

Copy of Commander Hopkins' letter will be forwarded to the Superintendent of Marine, who will, if necessary, arrange for the conveyance of the men to Calcutta by the "Sydney."

(Signed) T. PYCROFT,
Chief Secretary.
