*Proceedings of the Madras Government, Marine Department,
from 22nd to 31st October 1859.*

No. 23. Read the following letter from J. J. FRANKLIN Esq., Superintendent of Marine; to T. PYCROFT Esq., Chief Secretary to Government, Fort Saint George, dated 15th October 1859, No. 4164.

Referring to the Proceedings of Government of the 27th ultimo No. 484 paragraph 3 wherein it is suggested that if proper forms for submitting the expenses incurred in subsisting distressed Seamen have not already been furnished to the Masters Attendant and Collectors of Maritime Districts such should be done, I have the honor to inform you that the useful pamphlet published by the Board of Trade, containing the fullest instructions on this head, together with all the forms necessary under different circumstances, have long since been supplied to all the authorities named. There is no valid reason therefore why mistakes should be made.

2. With the view, however, to prevent the recurrence of similar irregularities these authorities will be furnished with a copy of the Proceedings of Government under acknowledgement, with a request that more care may be taken in preparing such accounts in future; and that they will apply at once for a new copy of the instructions of the Board of Trade, should the one previously sent have been lost or destroyed.
