- 2 Reports.
- 2 Plans.
- 2 Abstract estimates.
- 1 Letter from Superintendent of Marine, dated 28th October 1859, No. 4401.

With reference to the Proceedings of Government, dated 25th July 1859, No. 1784, I have the honor to inform you that the District Engineer of Canara, reported on the 11th August, that orders have been given for the immediate execution of the Perch recommended by Lieutenant Taylor I. N., on the Western sand of the entrance into Tuddri Harbour, and he has forwarded plans and estimates (amounting to Rupees 160 and 70) for two Beacons to be

placed on the Hill on the Southern side of the Tuddri Harbour in place of the two useless perches existing at present, as recommended by Lieutenant Taylor of the Indian Navy, in his report to Government, dated 20th June 1859, No. 38.

2. The plans have received the approval of the Superintendent of Marine. The estimates have been duly examined and found to be moderate but sufficient, and I accordingly beg the early sanction of Government to them.
