No. 18. Read the following letter from R. B. CHAPMAN, Esq., Under Secretary to the Government of India; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Fort William, 9th November 1859, No. 2257.

No. 404, dated 19th August.

No. 474, dated 22nd September.

I am directed to acknowledge the receipt of your letters marginally noted, on the subject of steam communication between Madras and Burmah by means of Government Steamers, and the position and duties of officers of the Indian Navy in command of them.

2. The Honorable the President in Council desires, with reference to the above, to be informed whether, as suggested in paragraph 4 of the Despatch from the Right Honorable the Secretary of State, No. 14, dated the 12th May last, the Government of Fort Saint George has communicated with the Government of Bombay for the purpose of ascertaining what has been the practice at that Presidency as to the carrying of private passengers and cargo or merchandize by Steamers of the Indian Navy (it being considered necessary to preserve uniformity of practice in all Government vessels carrying a pendant), and if so, what has been the result: copies of the correspondence being at the same time submitted for the information of this Government.
