*Proceedings of the Madras Government, Marine Department,  
for the month of December 1859.*

No. 11. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th December 1859, No. 5033.

With reference to the Proceedings of Government of the 12th instant, No. 625, I have the honor to inform you that from a private letter just received from Lieutenant Sweny, I learn that he has proceeded to the Damhra river for the purpose of buoying off the entrance, and that he has then been ordered to survey the Dehee river, both in the Collectorate of Cuttack. These duties completed, he intends to commence the survey of the Coast from False point to the Santapillay rocks, the Northern limit of Fell's survey; and on the approach of the South West monsoon he proposes coming South to continue the survey of the Coast between this and Point Calimere. He may therefore be expected at Madras in all April next.

2. Instructions will be sent to him to touch here on his way down, when arrangements can be made for his undertaking the examination of the Ports in the Krishna and Godavari districts previous to his proceeding with the survey to the South.

No. 12. ORDER THEREON, 23rd December 1859, No. 656.

Communicated to the Public Works Department.
