Fort Saint George, Marine Consultation, 15th March 1859.

No. 11. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq.,
Chief Secretary to Government, Fort Saint George, dated 28th February 1859, No. 884.

SIR,

I have the honor to inform you that under a misapprehension of the mode in which the Survey Fees authorized to be charged under Section 5 of Act VII of 1858, and Section 8 of Act XXI of the same year, are to be disposed of, the Conservators at Calicut and Tellicherry have carried them to the Public Account and the Collector of the District has credited them to Government. The measuring fees under Act VII of 1858 were established for the purpose of remunerating the Conservators for their trouble when called upon to undertake a tedious and onerous duty, as well as to restrain them in their private charges, and to fix a fair equivalent for the performance of that duty. I have therefore to solicit that Government will be pleased to order a refund of the amount so credited at the two Ports which are as follow :

Calicut,	on 54 Vessels,	429 Rupees	
Tellicherry,	14 "	98 "	
		527	"

No. 12. ORDER THEREON, No. 87; dated 12th March 1859.

Government authorize the Collector of Malabar to refund to the Conservators at Calicut and Tellicherry the Survey Fees referred to, and which are stated to have been paid into the Public Treasury under misapprehension of the Acts, under which they are chargeable. The Fees should be refunded to the Conservators by whom the Surveys were made.

Chief Secretary.
