*Proceedings of the Madras Government, Marine Department,
for the month of March 1860.*

No. 8. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 15th March 1860, No. 1332.

On the 27th ultimo, I had the honor to solicit that application by Telegram might be made to the Supreme Government for permission to employ the "Australian" and "Sesostris" for one trip to and from Burmah. It has since transpired that the "Zenobia" not the "Australian" is on her way down with Her Majesty's 43rd Regiment, and if no reply has yet been received, I would beg that application be again made on the subject, as the service of a Steamer and sailing transport to be towed are very much required.

No. 9. ORDER THEREON, 16th March 1860, No. 102.

Ordered that the following Telegram be despatched to the Government of India.

No answer has been received to the message applying for the services of the "Australian" and "Sesostris," for one trip to and from Rangoon—it now appears that the "Zenobia" and not the "Australian," is towing the "Sesostris" to Madras. An immediate reply is solicited whether these vessels, the "Zenobia" and "Sesostris," may be sent on a trip hence to Rangoon and back.

(Signed) T. PYCROFT,
Chief Secretary.
