

MADRAS RECORD OFFICE.

Government of Madras.

Marine DEPARTMENT.

G.O. No.	143	Press ~~Mis.~~
Dated	4 . 4 - 1860	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Marine Department,
for the month of April 1860.*

No. 9. Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, Public Works Department, dated 31st March 1860, No. 11,957.

"Marine."

With reference to the Proceedings of Government in the Marine Department, No. 117, dated 20th March 1860, I have the honor to report that the reason why, in submitting with my letter of the 5th instant, No. 11,028, the estimate for a Cage to enclose the Santapilli Lantern, no information was furnished as to the state of the Port funds either at Vizagapatam, or Bimlipatam, (which latter is nearest to the Santapilli rocks), was that I understood that the Orders of Govern-

Proceedings dated 9th December 1859, Department dated 2nd December 1859, No. 610, Marine Department, required that the information regarding "the surplus of the Port funds receipts above disbursements," should be supplied in sending up projects of

improvement connected with the ports themselves. The village of Santapilli, near which the Light House stands, is about 18½ miles north of Bimlipatam and 26½ miles north of Vizagapatam, and has, therefore, no connection with either port.

2. The District Engineer has, however, been called upon to report what is the state of the port funds at Vizagapatam and Bimlipatam and his reply when received will be duly communicated to you.

No. 10.

ORDER THEREON, 4th April 1860, No. 143.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. S. T. Augustin.
