*Proceedings of the Madras Government, Marine Department,
for the month of April 1860.*

Read the following letters:—

No. 19. From J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 30th March 1860, No. 1556.

I have the honor to inform you that Lieutenant Sweny, I. N., who has again arrived on the Coast for the purpose of prosecuting its survey, has represented the inconvenience he is sometimes put to for want of public funds wherewith to meet incidental expenses for boat and cooly hire. These expenses are passed in my department after due examination, but some time necessarily elapses between their actual disbursement and repayment. I would therefore recommend that an advance of 300 Rupees should be made to Lieutenant Sweny on this account, and that on the completion of his work on this Coast it should be recovered.

No. 20. From J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 30th March 1860, No. 1564.

The Commander of the Surveying Brig "Mutlah" having applied for an advance of Rupees (2,365) two thousand three hundred and sixty-five, for the purpose of paying his Officers and Crew for March instant and to meet any contingent demand for boats, cooly hire, &c., whilst prosecuting the survey of the Coast, I have the honor to solicit that authority be granted for the disbursement of that amount on his receipt, the charge being debited to the Bengal Government.

No. 21. ORDER THEREON, 4th April 1860, No. 148.

Government authorize the Sub-Treasurer to advance Lieutenant Sweny of the Survey Brig "Mutlah," the sum of (300) three hundred Rupees for incidental expenses connected with the Survey of this Coast.
