No. 16. From J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th April 1860, No. 1858.

I have the honor, in compliance with the request contained in your Official Memorandum of yesterday's date, No. 137, to submit the following Memorandum of instructions for Lieutenant Hurlock's guidance, and to request that he may be directed to tow the "Frank Flint" and "Sirius" into convenient berths for shipping the Horses.

No. 17. ORDER THEREON, 18th April 1860, No. 160.

Resolved that the following instructions be issued to Lieutenant R. G. Hurlock, Commanding Her Majesty's Steamer "Coromandel" I. N., in reference to his letter of the 15th instant and its enclosure.

Her Majesty's Steamer "Coromandel" will take the "Frank Flint" in tow and proceed with her to Singapore where the Commander will report himself to the Senior Naval Officer in the Straits of Malacca. Should his services be there dispensed with, he will proceed to Rangoon to bring Troops to Madras or Negapatam as may be found necessary.

In the event of a Cyclone being experienced during the passage the "Coromandel" should, if possible, keep by the "Frank Flint" with the view of taking her again in tow after it has passed, as there would probably then be some days of light weather in which a sailing vessel would make but slow progress.

2. Lieutenant Hurlock will tow the "Frank Flint" and "Sirius" into convenient berths in the Madras Roads for shipping Horses.

Chief Secretary.
