No. 13. Read the following letter from R. P. HARRISON, Esq., Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 10th May 1860, No. 17.

With reference to paragraph 21 of the Instructions of the Board of Trade to Officers in the British possessions abroad, concerning their duties with respect to the Masters and Crews of British Merchant ships, under the Merchant Shipping Act of 1854, I have the honor to forward, for transmission to the Home Authorities, four documents on account of wages, &c., of a Seaman, Louis Brown, who was left behind at a port in a British possession abroad, viz., Calicut, on the ground of inability to proceed from sickness.

No. 14. ORDER THEREON, 16th May 1860, No. 191.

The Government observe that the papers accompanying this letter should not have been forwarded to the Accountant General, as no public money seems to have been advanced or expended, nor is there any money to be remitted Home. They will now be handed to the Superintendent of Marine to be returned, through the Collector of Malabar, to the Officer doing the duty of a Shipping Master at Calicut.
