*Proceedings of the Madras Government, Marine Department,
for the month of May 1860.*

No. 17. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 9th May 1860, No. 2310.

I have the honor to submit the following proposition for favorable consideration.

2. In the Proceedings of Government of the 11th February last, No. 67, the sanction of the Supreme Government was conveyed to an augmentation in the establishment of the Master Attendant at Cocanada, wherein was provided a Clerk at 25 Rupees a month. The Master Attendant prays to be allowed, to divide the salary and to entertain one at 16 Rupees and one at 9 Rupees a month, representing that one is not sufficient to perform the work in his Office. The Collector of the district who proposed one Clerk at the higher salary, informs me that he did so under the impression that one good servant was better, and would do more work than two indifferent ones. He however adds that it is very difficult now to engage the services of an efficient English writer, and thinks that it may be as well for the present at least to allow the Master Attendant to entertain two as he desires. I would therefore solicit sanction for the arrangement for six months, when the matter might be re-considered.

No. 18.

ORDER THEREON, 18th May 1860, No. 193.

The Government grant authority for two writers on Rupees 16 and 9 each, being employed in the Master Attendant's Office at Cocanada, in lieu of the Writer on Rupees 25 sanctioned on the 11th February last, Order No. 67. This measure will be experimental for six months.

(Signed) T. PYCROFT,
Chief Secretary.
