*Proceedings of the Madras Government, Marine Department,
4th June 1860.*

No. 1. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 30th May 1860, No. 2,620.

The Government were pleased in their Order marginally noted to raise the salary of the Master Attendant at Tuticorin from 200 to 300 Rupees a month, and recorded their intention of considering what further increase might be granted after the pearl fishery which is anticipated in 1861.

2. As this extra allowance is sanctioned more with reference to the additional duties which devolve on the Master Attendant as Superintendent of the pearl banks than in consequence of the increasing trade of the port, I have the honor to suggest that it should be chargeable to the Revenue Department, rather than to the Port fund.

No. 2. ORDER THEREON, 4th June 1860, No. 204.

The addition of Rupees, (100) one hundred to the salary of the Master Attendant at Tuticorin, sanctioned on the 28th April last, Order No. 676, Revenue Department, will be charged to the Revenue Department, and not to the Port Fund.

(Signed) T. PYCROFT,
Chief Secretary.
