*Proceedings of the Madras Government, Marine Department,
22nd June 1860.*

No. 43. Read the following letter from H. D. E. DALRYMPLE, Esq., Master Attendant, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 18th June 1860, No. 459.

I have the honor, to inform you that upwards of six weeks ago when the Civil Architect was restoring the Verandah which previously existed over the side entrance to my Office, from the street running west from the Beach, he received a notice from the Municipal Commissioners to stop the work, and since then nothing has been done, and I am still prevented from occupying that part of my Office restored to me under Orders of Government dated 2nd March 1860, No. 86.

This Verandah is a covering to the Piall and Steps of solid brick work and chunam, constructed by the late Superintendent of Police many years ago and which are neither an "obstruction" nor "encroachment" according to Act XIV of 1856.

I regret to be obliged to call the attention of the Honorable the Governor in Council to the fact that after I obtained by orders of Government from the Commissioner of Police the lower story of my Office, then occupied as a Tannah station, that Officer in his capacity of Municipal Commissioner has unwarrantably interfered to keep me out of possession of these premises so urgently required for the increase of my establishment sanctioned by Government under date 19th August 1859.

I have therefore the honor respectfully to request, that orders may be passed to enable the Civil Architect to complete the repairs of my Office.

No. 44. ORDER THEREON, 22nd June 1860, No. 226.
Referred to the Municipal Commissioners for report.

(Signed) T. PYCROFT,
Chief Secretary.
