*Proceedings of the Madras Government, Marine Department,
for the month of January 1860.*

No. 11. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to the Chief Secretary to Government, Fort Saint George, dated 4th January 1860, No. 42.

On the 26th ultimo I had the honor of submitting a bill for dieting the Commander and Crew of the "Mary Oxley" abandoned at sea who were brought from Monsoorcottah to Madras in the "Janet Mitchell."

2. There were on board the same vessel two passengers, natives of Austria, who engaged their passage at Bombay for Calcutta. They were subsisted in the "Janet Mitchell" in the same way as the seamen, for which the Commander has preferred his claim in a separate bill herewith forwarded.

Zacharias De'Metre.

Elizabeth De'Metre, his wife.

3. This charge is not one which the Board of Trade takes cognizance of, as the parties are not sailors nor are they British subjects; but as the Commander of the "Janet Mitchell" could not do otherwise than furnish them with provisions while on board his vessel and they are destitute, I conclude that Government will not object to admit his claim and forward it to the Right Honorable the Secretary of State for India for such final adjustment as he may consider necessary.

No. 12. ORDER THEREON, 14th January 1860, No. 25.

Under the circumstances of the case, Government authorise the charge for subsisting the two Austrian passengers on the "Mary Oxley," abandoned at sea, amounting to (13) thirteen Rupees, to be disbursed to the Commander of the "Janet Mitchell," and resolve to forward the Commander's receipt for the above sum to Her Majesty's Government for the purpose stated in the above letter.

(Signed) T. PYCROFT,
Chief Secretary.
