*Proceedings of the Madras Government, Marine Department,
2nd August 1860.*

No. 3. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 27th July 1860, No. 3,469.

I have the honor to acknowledge receipt on the 26th instant of the Proceedings of Government of the 20th idem, No. 259, and to inform you that a few days ago, I received a communication from Captain C. D. Campbell, I. N., Senior Officer at Calcutta, requesting that enquiries might be made regarding the missing Schooner "Emily," and that measures were at once taken with the view of ascertaining if she had touched on the Coast or had been seen in distress by any vessel.

2. On replies being received, the result will be made known to Government, but I fear that she must have foundered in the Cyclone which was experienced in the upper part of the Bay between the 8th and 12th of April.

No. 4. To the Secretary to the Government of Bombay, dated Fort Saint George, 2nd August 1860, No. 270.

Your letter of the 9th ultimo, No. 567, was communicated to the Superintendent of Marine, and he was requested to furnish any information he could regarding the Schooner "Emily," I. N. I annex copy of a letter received from that Officer, and am directed to state that any information which may be furnished by him hereafter, will be communicated to you.
