*Proceedings of the Madras Government, Marine Department,
16th August 1860.*

No. 27. Read the following letter from F. W. HOPKINS, Commanding Her Majesty's Steamer "Dalhousie" I. N., to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th August 1860.

I have the honor to report the arrival here of Her Majesty's Steam Vessel "Dalhousie," I. N., from Rangoon the 30th July, Vizagapatam the 9th, Cocanada the 10th and Masulipatam the 11th instant, with passengers, and details of Troops as per enclosed list. The vessel encountered bad weather nearly all the passage from Rangoon to Vizagapatam.

2. It will require a detention here of six days to put the Boilers and Engines in order before the vessel should again proceed to sea.

3. Should Government urgently require the vessel to make another trip before being docked, she can do so, but is slow from the state of her bottom, it being dirty.

4. From the necessary amount of work to be done to her machinery she is likely to be laid up about two months when next docked, before it can be completed.

No. 28. ORDER THEREON, 16th August 1860, No. 287.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.
