PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again letter, 12th June 1860, No. 61, from the Commissioner of Police,—Recorded in Proceedings, 30th June 1860, Nos. 212 and 213.

Read also the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 28th July 1860, No. 83.

1. Foot Police Force.
2. Mounted Branch.
3. Marine Branch.

4. Garrison Force, *to be charged against these Departments.*
5. Mint Guard,

1. I have the honor to forward, for the sanction of Government, Estimates as per margin, (5 in number), in which I have given the probable cost of the Clothing of the Madras Police Force and Extra Establishments for the year 1861, and to request that the Sub Treasurer may be authorized to advance to me on receipt, the full amount of each Estimate, subject to adjustment hereafter, when the Clothing for each branch of the Force for that year, has been made up.

2. You will observe that in four of the Estimates, I have given two totals:—The first shows the probable cost of the Clothing, if made up according to the Orders of Government dated 15th November last, No. 1,556, Judicial Department, and in the second total (in red ink) I have included the cost of the addition proposed by me in my letter to Government of date 12th ultimo, No. 61, when I recommended that an additional length be in future allowed for the Turban, and that in 1861, I may be permitted to revert again to Trousers of red color, which alteration I find, by copy of Mr. Secretary Pycroft's letter to the Government of India under date 30th June last, was approved by this Government and submitted for sanction.

ORDER THEREON, 9th August 1860, No. 997.

The Commissioner of Police submits for sanction five Estimates for Clothing for the ensuing year 1861, for the Foot, Mounted, and Marine Police, and for the Police Guards at the Mint and in the Fort.

Cost of articles issued annually...	Rs. 4,557 0 0	2. The Clothing proposed for the Foot Police is in conformity with the Orders of the 15th November last, No. 1,556; the excess of the present Estimate above the amount, Rupees 4,646-8, of that sanctioned on the 13th January last, Order No. 48, owing, it is observed, to articles, which are issued biennially and triennially, having been provided for in it.
Do. biennially, Shoulder Belts 1,581 0 0		
Sashes... 221 8 0	1,802 8 0	
Do. triennially, Cumblies... ..	990 0 0	
	7,349 8 0	
Do. additional, on account of Turbans and red Trousers... ..	1,069 8 0	
	Rupees..... 8,419 0 0	

3. The Commissioner has likewise appended to the Estimate the additional expense, Rupees 1,069-8, for affording greater length of cloth for the Turban, and for issuing red instead of black Trousers, and these changes, as remarked by the Commissioner, have been approved by this Government for the reasons given in his letter of the 12th June last.

For 1860 Rupees 1,951 3 5	4. The Estimate for the Mounted Branch is lower than that last sanctioned, in consequence apparently of the recent reductions in that Force,
For 1861 " 1,531 3 5	

For the Foot Police...	Rs. 8,419	0	0	5. His Excellency in Council sanctions
" Mounted do. ...	1,531	3	5	four of the Estimates submitted, inclusive of the
