Chief Secretary.

PUBLIC WORKS DEPARTMENT.

Marine.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Madras Government in the Marine Department :—

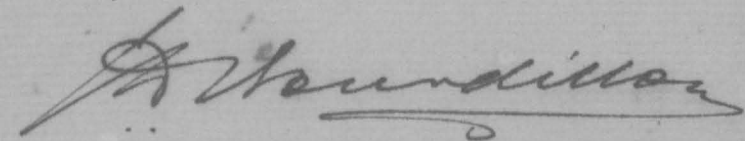

Sanctioning an Estimate of Rupees 330, for making certain alterations to the Paumben Light House in the District of Madura. } (Here enter 28th July 1860, No. 265.)

ORDER THEREON, 16th August 1860, No. 1,738.

1. Ordered to be communicated to the Chief Engineer. The expenditure incurred under this sanction will be charged to the general repair fund of the Madura District as proposed in paragraph 5 of Colonel Horsley's letter, 24th July, No. 2,942.

2. The conduct of the Officers successively in charge of the District, in connection with this work, has been remarkably negligent; first in so long omitting to submit the Estimate, then in failing to specify the materials and sending no plan, then in forwarding the plan without signature, and lastly in commencing the work without sanction. The Governor in Council directs the Chief Engineer to furnish a copy of his letter and of this Order to all those Officers, viz., Captain Ryves, Lieutenant Smalley and Captain Brine. It is no matter for wonder that the correspondence of the Central Office should be so heavy when such carelessness prevails. In this case four letters issued from the Chief Engineer to the District Engineer, whereas one would have been sufficient if Captain Ryves had done his duty in the matter promptly and carefully.
