Proceedings of the Madras Government, Marine Department,
30th August 1860.

No. 57. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Secretary to Government, Military Department, Fort Saint George, dated 14th August 1860, No. 3,712.

I have the honor to submit the accompanying bills for Port dues and Pilot charges on Transports chartered by this Government which, under instructions from the Supreme Government, the authorities at Rangoon have demanded. In all the engagements entered into for the employment of these Transports, it was expressly stipulated by the Agents that these charges should not be borne by the vessel. I have therefore to solicit that authority may be passed for their being admitted as a debit to this Government, and that the Supreme Government may be moved to cause the amount to be credited to the department of the Superintendent of the Irrawaddy Flotilla at Rangoon.

2. Some other bills of a similar nature will have to be submitted hereafter, but as they contain several overcharges, they have been returned to Rangoon for correction.
