MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Superintendent of Marine, Madras, 2nd October 1860, No. 4345; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to inform you, with reference to the Proceedings of Government noted in the margin, that the Agents of the Devonshire, Messrs. Arbuthnot and Co., having offered the whole of her lower deck for the transport of European Troops to Masulipatam, for (1,600) one thousand and six hundred Rupees, which is within the sum that would be expended for Coals if the *Dalhousie* were sent, she has been engaged, and will leave on Friday the 5th instant.

2. The *Devonshire* has passed favorable Military, as well as Marine Survey.

3. It was proposed in my letter recorded in the above cited proceedings, that the *Dalhousie* should make two trips to Masulipatam. Requisitions from the Quarter Master General have since been received, which to comply with would have required a third trip, from which the Steamer will be relieved by the present engagement.

ORDER, No. 3539, 3rd October 1860.

The proceeding reported in para. 1 is approved.

2. The foregoing letter will be communicated to the Marine Department.
