*Proceedings of the Madras Government, Marine Department,
20th October 1860.*

No. 55. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th October 1860, No. 118.

1. With reference to the 3rd paragraph of the Order of Government, of date 29th June 1860, No. 230, Marine Department, I have the honor to report that Rutnum Moodelly, the owner of the largest of the Godowns therein alluded to, the one, of which it is most desirable we should procure possession for Police purposes, will not come to any terms whatever.

2. The rent of the six Godowns, if all were taken for a period of five years, would amount to 130 Rupees per month.

3. Considering all the circumstances, I think it is most advisable that two temporary Godowns should be erected on the beach, to afford cover to the Police Officers on duty there, according to sketch herewith forwarded, one on each side of the Pier Company's enclosure;—one to be occupied as a Tannah of the 1st Division Jamadar and as Inspector's Office of that Division;—the second as an Office for the Inspector and Conicopolys of the Marine Police.

* *Cost of Tents.*

1st Rupees.....	159	5	4
2nd „	474	11	0
Total...	634	0	4

The cost of these two buildings at Rupees 377-13-10 each, will amount to Rupees 755-11-8, and if circumstances should require their removal within three or four years from the date of erection, by sale of the old materials, more than one-third of the original cost would be, in all probability, recovered. Thus, exclusive of the wear and tear and cost of two* of the three large tents now in use,

the full outlay would be less than six months' rent.

4. I beg to advise the Government that the erection of these sheds will not allow me to give up the Office now in use by the Superintendent of the Marine Police, at a rent of 50 Rupees.

5. I beg also to state that I have spoken to Mr. Franklin, the Superintendent of Marine, on this subject, and he permits me to say, that he sees no objection whatever to the erection of the proposed temporary Sheds on the places proposed.

No. 56. ORDER THEREON, 20th October 1860, No. 367.

The Government authorize the construction of two Sheds, one on each side of the Pier Company's enclosure, for use of the Police, at a total cost of (756) seven hundred and fifty-six Rupees. The Commissioner of Police will execute the work himself, and the cost will be defrayed from the Marine Police Funds.

(Signed) T. PYCROFT,
Chief Secretary.
