*Proceedings of the Madras Government, Marine Department,
24th October 1860.*

Read the following letters :—

No. 61. From Lieutenant Colonel W. H. HORSLEY, Chief Engineer D. P. W., to J. D. BOURDILLON, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated 11th October 1860, No. 5,770.

Enclosures 4.

1 *Letter from the District Engineer, Nellore, No. 1,909, dated 20th September 1860.*

1 *Plan.*

1 *Estimate.*

1 *Specification.*

I have the honor to forward herewith a Plan and Estimate amounting to Rupees 290, received from the Acting District Engineer of Nellore, for putting up a Lightning Conductor to the Light-house at Moonapollium in that District.

2. The building in question is at present without any protection of this kind, a circumstance which attracted the attention of the District Engineer during his recent tour of inspection. The Estimate, which has been countersigned by the Collector in token of approval, has undergone the necessary examination in this Office, and the rates therein allowed are found to be moderate and yet sufficient for the proposed work. I have, therefore, to request that the sanction of Government may be granted for the execution of the Estimate from the General Funds at the disposal of the District Engineer for the current official year.

Transferred to the Marine Department.

(Signed) C. G. MASTER,
Deputy Secy. to Govt.

12th October 1860.

Referred to the Superintendent of Marine.

(Signed) T. PYCROFT,
Chief Secretary.

FORT ST. GEORGE,
15th October 1860.

No. 62. From J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th October 1860, No. 4,487.

I have the honor to return the accompanying papers relative to a proposition from the Chief Engineer to protect the Light-house at Moonapollium, with a Lightning Conductor at an expense of Rupees (290) two hundred and ninety, and to state that it appears to me advisable that the work should be undertaken.

2. The cost will be a charge on the State as there is no Port at Moonapollium.

No. 63. ORDER THEREON, 24th October 1860, No. 371.

The Government authorize the construction of a Lightning Conductor for the Light-house at Moonapollium, Nellore. The cost, Rupees (290) two hundred and ninety, will be defrayed from the General Funds at the disposal of the District Engineer.

(Signed) T. PYCROFT,
Chief Secretary.
