*Proceedings of the Madras Government, Marine Department,
29th October 1860.*

No. 84. Read the following letter from Commander F. W. HOPKINS, I. N., Commanding H. M.'s Steamer "Dalhousie," I. N., to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 27th October 1860, No. 475.

I have the honor to acknowledge the receipt of the Proceedings of the Madras Government, No. 376, of yesterday's date, with reference to which, I beg to report, that I have received a number of Tubes, required for the Boiler; also Crank Pins, from Bombay, (by Steamer,) and it will be necessary for me to delay the Ship at Rangoon, to replace the Boiler Tubes; which work will occupy perhaps a fortnight, or 3 weeks time, and, from the condition of the vessel's bottom, she should be docked, as soon as possible.

I beg to request, that the Superintendent of Marine at Calcutta, may be telegraphed to, to have the Boiler Tubes for the "Dalhousie," sent to Rangoon, by Steamer.

No. 85. ORDER THEREON, 29th October 1860, No. 380.

Resolved that, as requested by Captain Hopkins, the Superintendent of Marine at Calcutta be desired by Telegraph to forward to Rangoon by Steamer, the Boiler Tubes required for the "Dalhousie."

2. It appears however from the letter of the Superintendent of the Irrawaddy Flotilla to the Secretary to the Superintendent of Marine, Fort William, dated 13th ultimo, that the "Dalhousie" cannot be docked at Rangoon. Under such circumstances it seems to Government that unless fresh Boiler Tubes are emergently required, the insertion of them had better be delayed until the "Dalhousie" returns to Bombay for thorough refitting, that time may not be lost in carrying out repairs separately at two different places, which might be effected simultaneously at one and the same place.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. F. Cartledge.

it seems to you that unless

Pro. of the Marine Govt.

Read the following letter
from Commander W. Hopkins,
Comd. R.M. Str. Dalhousie. M.

(No. 27 Oct. 1860. No. 57)

Order thereon, 29 October 1860 No. 580.

Resolved that as requested
by Captain Hopkins, the
Superintendent of Marine at
Calcutta be desired by telegraph
to forward to Rangoon by
Steamer the boiler tubes re-
quired for the "Dalhousie".

2. It appears however
from the letter of the Supdt.
of the Irrawaddy Flotilla to
the Secretary to the Supdt. of
Marine, Fort William, of 13th
ultimo, that the "Dalhousie"
cannot be docked at Rangoon.
Under such circumstances
it seems to Govt. that unless
fresh

fresh boiler tubes are ever-
-gently required. the insertion
of them had better be delayed
until the "Gulhousie" returns
to Bombay for thorough
refitting, that time may
not be lost in carrying
out repairs separately at
two different places, which
might be effected simulta-
-neously at one and the
same place.
