*Proceedings of the Madras Government, Marine Department,
31st October 1860.*

No. 91. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th October 1860, No. 4,529.

I have the honor to inform you that some time back the top-gallant-mast of the Tellicherry Flagstaff fell from decay, and that since then the double light which used to distinguish that Port from the neighbouring one of Cannanore has been discontinued. On examining the Flagstaff, the District Engineer reports it to be too much decayed to admit of the necessary repair. An estimate for a new one of Karamarethu wood—Teak not being readily procurable—has therefore been submitted, amounting to Rupees 544, and as the double light is a great convenience to Vessels navigating the Malabar Coast, I have to solicit that Government will sanction the outlay.

2. The estimate has been sent to the Chief Engineer to be checked in accordance with the instructions of Government of the 19th July 1856, No. 1,217.

3. The sum at the credit of the Port Fund of Tellicherry on the 30th of September last, was Rupees 799-15-2, and the cost of the new Flagstaff might be defrayed out of it.

No. 92. ORDER THEREON, 31st October 1860, No. 383.

The Government sanction the re-construction of the Flagstaff at Tellicherry, at a cost, not exceeding (Rupees 544) five hundred and forty-four Rupees, which will be defrayed from the Port Fund.

(Signed) T. PYCROFT,
Chief Secretary.

N^o. 383 - 31 October 1860.
