*Proceedings of the Madras Government, Marine Department,
for the month of January 1860.*

No. 1. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th January 1860, No. 274.

I have the honor to inform you that Commander Tronson, just prior to his proceeding on board to weigh for Calcutta, brought me copy of the Proceedings of Government of the 17th instant, No. 30, wherein authority was passed for his receiving half* the
* Rupees 255-3-9 amount of Messrs. Oakes' bill for supplies laid in for the Honorable the Governor and his party; and represented that although he enclosed that bill to shew the extent of his purchases there, it did not comprise all the expenses he had incurred. He expressed a fear that he had not explained himself with sufficient clearness. He intended his application to be for what he was entitled to by the rules of his service and forwarded the bill to shew that he really had made arrangements for entertaining the distinguished party he was ordered to receive.

2. On turning to the Indian Navy Pay and Audit Code, I find that, under paragraph 48 of Section XIII, he would have been entitled to Rupees 800 for entertaining the party for any period more than three and not exceeding seven days. Paragraph 60 authorizes the payment in advance of half this sum and 61 sanctions its retention by the Commander in the event of the passengers not embarking.

3. Commander Tronson is therefore entitled to the sum of 400 Rupees as compensation, and as he will probably not return here, he begs me to solicit that Government will be pleased to cause the amount to be paid to him at Calcutta, where a letter would reach him if sent by the next P. and O. Steamer.

No. 2. ORDER THEREON, 21st January 1860, No. 38.

Under the explanation conveyed in the above letter, Government sanction compensation being made to Commander Tronson, to the extent of (400) four hundred Rupees in lieu of the sum named in the Order referred to.

2. Copy of the present Order will be forwarded to Commander Tronson—and the Government of Bengal will be requested to disburse the above sum to him on application, at Calcutta, and debit it to this Government.

(Signed) T. PYCROFT,
Chief Secretary.

No. 3. To the Secretary to the Government of Bengal, dated Fort Saint George, 21st January 1860, No. 39.

I am directed by the Honorable the Governor in Council to request that the Government of Bengal will be pleased to pay to Captain Tronson, Commanding Her Majesty's Steam Frigate "Ferroz," Indian Navy, on his application, the sum of (Rupees 400) four hundred Rupees, being the amount of compensation which has been granted him by this Government according to the Indian Navy Pay and Audit Regulations on account of the preparation made by him for the reception of the Honorable the Governor of Madras and suite on board the "Ferroz," and that the same may be passed to the debit of this Government.

(Signed) T. PYCROFT,
Chief Secretary.
