Proceedings of the Madras Government, Marine Department, 8th November 1860.

No. 17. Read the following letter from Commander F. W. HOPKINS, Commanding Her Majesty's Steamer "Dalhousie," to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 27th October 1860, No. 474.

In acknowledging the receipt of Government Order, No. 366 of the 19th instant, I most respectfully beg to mention, that the men who are sent on shore to Hospital here, have their usual papers sent with them, and the men are paid up to the period. I beg to enclose a copy of the documents men receive, on which is clearly stated, how long men have to *serve* in the Indian Navy, and I explained to the Superintendent of Marine, and the Master Attendant also, that the Ticket is not a discharge Ticket at all from the service; and for some time back, I have been in the habit of sending in a list of the names of the people left in Hospital.

2. I most respectfully beg to state to Government that at present many men go into Hospital for a few days time, and then manage to get out after the Ship goes to sea, and then go to the Sailors' Home, or knock about the streets; the consequence is that Government lose the services of men much required on board, and the men return on board usually in a diseased state, and in worse health than when they left the Vessel.

3. I would therefore with great respect suggest that Seamen be kept in the Hospital until they can be sent direct on board the Ship to which they belong, or any other Vessel of the Indian Navy, and it will be a great matter indeed if the Director General of Hospitals here, would allow such to be the case. The men for Hospital will be sent to the Master Attendant as ordered by Government.

No. 18. ORDER THEREON, 8th November 1860, No. 394.

Referred to the Superintendent of Marine.

Chief Secretary.
