*Proceedings of the Madras Government, Marine Department,
14th December 1860.*

No. 25. To the Secretary to the Government of India, dated Fort Saint George, 14th December 1860, No. 429.

*23rd and 41st Native Infantry, to Madras.
24th Native Infantry, to Bimilipatam.*

The Superintendent of Marine has reported that Transports for bringing three Regiments of Native Infantry from Burmah to this coast, will be required early next year. Besides this, the 20th Regiment Native Infantry will possibly have to be sent to the Straits to relieve the 22nd Regiment.

2. The Steamer "Dalhousie," I. N., has been directed to proceed to Bombay for repairs. As it is doubtful when she will be sent back to this Presidency, I am directed to request that, with the permission of the Supreme Government, the sailing Transports "Sesostris" and "Tubal Cain," may be sent from Calcutta to Rangoon in January next, to embark as many of the Troops, as they can convey. The passage, Mr. Franklin states, can be accomplished in 12 or 13 days. In any case, if Steamers are available, they might, with great advantage, accompany to tow the vessels across.
