MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letters:—

From the Superintendent of Marine, Madras, 9th February 1860, No. 623; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to report the following arrangements for the further transport of Troops to China, and trust that they will meet with approval.

Remainder of 44th in.....	{ "Coromandel" and "Oriental" "Euxine"	} To leave about 22nd instant.
Royal Artillery Battery in.....	{ and "Rajah of Cochin"	
Two Companies Golundauze in...	"Michigan".....	Do.
Two Companies Sappers in....	"Statesman".....	End of month.
21st Native Infantry in	{ "Hindustan" and a Transport.	} Do.

2. The "Euxine," "Rajah of Cochin," "Michigan" and "Statesman" have all been engaged at a monthly rate of 10 Rupees a ton. The first two will be towed by the "Coromandel" and "Oriental," the last two will proceed under sail, and as the "Michigan" will have but a small allotment of Ponies on board, I am not apprehensive of their suffering from a voyage without steam.

3. These arrangements will leave the "Pottinger" and 42nd—6th—18th—39th—11th "Tubal Cain" available for the Burmah reliefs, and as there are still 9 Regiments to move, I solicit permission to retain them for that service.

From the Superintendent of Marine, 10th February 1860, No. 637; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to acknowledge receipt of your Official memorandum of this day's date, and to inform you, that although the "Michigan," is set down as about to be despatched about the 22nd instant, and the "Statesman" at the end of the month, the difference in their dates of departure will be too trifling to be of consequence in the long voyage between this and Hong Kong. The "Michigan" would have been selected for the Sappers, but she had already been fitted for horses, at it was intended she should convey a portion of the Royal Artillery. Subsequently a more eligible vessel came in and was secured for the latter, and the "Michigan's" stalls were altered to suit the Ponies which are to be sent with the Madras Artillery.

ORDER, No. 609, 10th February 1860.

The Governor in Council approves of the arrangements reported in the foregoing letters.
