*Proceedings of the Madras Government, Marine Department
for the month of February 1860.*

No. 12. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to the Chief Secretary to Government, Fort Saint George, dated 6th February 1860, No. 563.

*No. 315.

†Rupees 215.

C. C. 13.

Adverting to my letter* of the 20th ultimo, I have the honor to forward a statement in the prescribed form of the expenses† incurred in subsisting the crew of the "Mary Oxley" at Madras until they were provided for in different ships, and to suggest that it may be sent to the Right Honorable the Secretary of State for India for recovery of the amount from the Board of Trade, together with another statement also enclosed, exhibiting the amount previously disbursed for bringing the men from Munsoorcottah to Madras.

2. I have also to submit a similar statement of the expense of dieting the Mate of the late Barque "Ballengeich," whose ship was wrecked near Point Calimere in April last. He was too ill for some time to undertake the journey to Madras, which accounts for his not having been included in the expenses incurred for the remainder of that vessel's crew, which were submitted with my letter of the 21st September 1859, No. 3796. This statement should be disposed of in the same way as the others.

3. Finally, I beg to recommend for sanction the Sailors' Home bills, representing the expenses exhibited in the statements.
