*Proceedings of the Madras Government, Marine Department,
for the month of March 1860.*

No. 16. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 25th February 1860, No. 26.

1. I have the honor to state that Government in their Order dated 6th December 1858, Marine Department, No. 480, were pleased to sanction the employment of a second Writer, on a salary of Rupees 25 per mensem for the Marine Police Establishment, but as I have not had continuous employment for a Writer, I have not entertained one permanently.

2. The sanctioned salary per mensem is Rupees 25, and had a Writer been permanently entertained, the cost thereof up to this time would have amounted to Rupees 346-12-5, whereas by employing a person only when the work has been too heavy for one man to perform, I have only expended since 31st July 1859, Rupees 41-14-11, which you will find exhibited in bill herewith submitted for the sanction of Government.

3. This course has become necessary in consequence of the Civil Auditor having refused to pass any Pay Abstract when the charge for this temporary Writer has been introduced therein, on account of his not having passed the Uncovenanted Service examination.

4. I request you will favor me by requesting the Government to permit the Civil Auditor to pass any charge for such temporary employment hereafter.

No. 17. ORDER THEREON, 9th March 1860, No. 93.

Under the circumstances represented in the above letter, Government are pleased to permit the Commissioner of Police to employ, at his discretion, an unpassed Candidate for broken periods in the vacant situation in the Marine Police Office, but no person can be permanently appointed to it, unless duly qualified.

2. The Civil Auditor is authorised to admit Colonel Boulderson's bill referred to in this letter.

Chief Secretary.
