*Proceedings of the Madras Government, Marine Department,
30th May 1861.*

No. 52. Read the following letter from R. P. HARRISON, Esq., Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 25th May 1861, No. 26.

I have the honor to report that the total freight entered in the *Invoice of Stores* sent out

£.	s.	d.	
3	10	0	<i>Public Works Stores.</i>
120	3	4	<i>Clothing do.</i>
87	3	6	<i>Military do.</i>

210 16 10

per "Norman Morrison," dated 28th November last, is £ 210-16-10, as exhibited in the margin, but in the freight account of that vessel, the sum of £ 10-10-10 additional is entered as primage and average at 5 per cent. which raises the total freight to £ 221-7-8.

The two-third freight payable in this country on the above account therefore amounts, according to the freight account, to £ 147-11-9½ or Company's Rupees 1,475-14-3, which sum will be paid to the Agents of the Vessel.

* 2. The amount of freight shewn in the Invoices of Stores received per other Ships includes charges for primage and average also, whereas in the case of the "Norman Morrison" they were not so included. I request therefore that you will be pleased to move Government to bring this circumstance to the notice of the Home Authorities.

No. 53.

ORDER THEREON, 30th May 1861, No. 183.

The circumstance reported in this letter, will be brought to the notice of the Secretary of State.

(Signed) T. PYCROFT,
