Proceedings of the Madras Government, Marine Department,
31st May 1861.

No. 63. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 29th May 1861, No. 1,540.

In my letter of the 27th instant, No. 1,514, I recommended that the "Dalhousie" should be dispatched to Paumben to lie there during the monsoon, there being no work on which to employ her till September next. I have now the honor to inform you that it has been intimated to me that His Excellency the Governor will probably proceed to Cocanada in the course of next month. It would be better therefore that the "Dalhousie" should remain at Madras in readiness to convey His Excellency to the North when required.

No. 64. ORDER THEREON, 31st May 1861, No. 189.

H. M.'s Steamer "Dalhousie" I. N., will, as proposed, remain at Madras for the purpose stated.

(Signed) T. PYCROFT,
Chief Secretary.
