*Proceedings of the Madras Government, Marine Department,
19th January 1861.*

No. 46. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 15th January 1861, No. 158.

It having been found necessary to replenish the stock of Coal at Cochin, I have the honor to inform you that I entered into negotiation with Mr. T. Clarke at Galle for the delivery over the side of 300 tons of best West Hartley Steam Coal which has now been received and already partly expended.

2. The Coal was purchased at 25 Rupees per ton, which is under the average contract price of that received from England. The cost is therefore 7,500 Rupees, as represented in the accompanying Bill, and I have to solicit that Government will be pleased to arrange for the payment of this sum to Mr. Clarke or his order from the Colonial Treasury, Ceylon.

3. The charges for landing, weighing and delivering are to be borne by Government, but I am not prepared to recommend the items inserted in the Bill on these accounts until further communication with the Master Attendant at Cochin.

No. 47. ORDER THEREON, 19th January 1861, No. 26.

The Ceylon Government will be requested to pay Mr. T. Clarke, or to his order, the equivalent of Rupees 7,500, being the price of 300 tons Coal, at Rupees 25 per ton, delivered at Cochin.

(Signed) T. PYCROFT,
Chief Secretary.
