In Extract from Minutes of Consultation of the 30th July 1853, No. 210, the Government were pleased to order the transfer to the Marine Board of four Military or Garrison flagstaves, and on the 20th of the following month (Extract Minutes of Consultation, No. 232,) it was announced that they should continue under the

control of the Military Officers who had charge of them, but that application for repairs, flags, &c., should be made to the Marine Board.

2. I have the honor to submit to the consideration of Government whether, now that the expenses in each Department are kept distinct, it would not be advisable to revert to the former arrangement under which the Garrison flagstaves were exclusively under the supervision and control of the Military Department.

3. The flagstaff on the Dolphin's Nose has been dismantled, but the other three are still kept up.

No. 6. ORDER THEREON, 4th September 1861, No. 280.

Resolved that the Civil and Military Auditors be requested to report at an early date, what charges have been passed by them respectively, on account of the Flagstaffs at Fort Saint George, Saint Thomas' Mount, and Cannanore, during the last two or three years.

2. Mr. Franklin is requested to state whether the Master Attendant's Flagstaff at Madras, is sufficient for Marine purposes.
