*Proceedings of the Madras Government, Marine Department,
14th September 1861.*

No. 48. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to the Secretary to Government, Marine Department, Fort Saint George, dated 13th September 1861, No. 2,567.

With reference to the Proceedings of Government of the 2nd instant, No. 279, on the subject of the substitution of the "Coringa" for the "Governor Higginson" as the Mail Steamer to and from Rangoon, I have the honor to inform you that she has arrived in the roads and is reported to be ready for survey. It is necessary that her boilers and machinery should be examined, and I have to solicit that Commander Batt of Her Majesty's Steamer "Coromandel" may be requested to convene a Committee of his Engineers to survey them; and to report without delay whether they are in an efficient state for making her voyage to and from Burmah during the remainder of the present year.

No. 49. ORDER THEREON, 14th September 1861, No. 301.

Commander Batt will be requested to appoint a Committee of Survey from the Engineers attached to the "Coromandel," to examine and report on the state of the boilers and machinery of the Steamer "Coringa."

(Signed) J. D. SIM,
Secretary to Government.
