*Proceedings of the Madras Government, Marine Department,
7th November 1861.*

No. 19. Proceedings of the Madras Government, dated 7th November 1861, No. 354.

Resolved that the Commander of the "Dalhousie" be directed to convey Lieutenant Colonel Rundall and Mr. Dixon, Executive Engineer, to Cocanada and the stores which it is understood, are awaiting transport thither for the upper Godavery works.

2. The "Dalhousie" will at Cocanada take on board Captain Searle and his family for conveyance to Sedasheghur with the stores for the North Canara District, which have been prepared at Dowlaiswaram.

3. The Chief Engineer will make arrangements for the shipment of the stores referred to in paragraph 1, and will instruct Colonel Rundall and Mr. Dixon to embark as soon as possible.

4. The Chief Engineer will also direct Captain Searle to proceed at once to Cocanada and will cause the stores referred to in paragraph 2 to be sent there immediately, so that the Steamer may not be unnecessarily detained.

5. The "Dalhousie" will on her return from Cocanada stop at Madras to take on board such stores as may not already have been shipped, and tow the Negapatam Dredge to its destination. It is most important that the machinery, &c., for Sedasheghur should be conveyed thither by the "Dalhousie" if she can safely take them.

(Signed) T. PYCROFT,
Chief Secretary.
