Proceedings of the Madras Government, Marine Department,
9th November 1861.

No. 23. Read the following letter from Commander F. W. HOPKINS, I. N., Commanding Her Majesty's Steam Vessel "Dalhousie," I. N.; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras Roads, 8th November 1861, No. 238.

I have the honor to acknowledge the receipt of Government Orders, No. 355 of yesterday's date (received at 7 P. M.) and in reply beg to state as the Dredge Vessel is of very considerable value to Government and to keep her anchored here in the Roads at this season, when the weather is most uncertain is, I consider, running a considerable risk of her safety, I would therefore most respectfully suggest to Government, that as soon as I can take her in tow I be allowed to proceed at once to Negapatam, and to leave this direct for the Western Coast if Government wish it, after my return here from Cocanada.

2. I beg to report that I proceeded this morning at day-light to assist in getting the Dredge Vessel out and towed her to the anchorage: I observe that the top weight of Machinery on her has not been removed as requested in my letter to Government, No. 226 of the 2nd instant, her funnel has no stays or any thing to secure it properly. As the weather is fine and sea smooth at present, the sooner I can start with her the better, if Government approve of my doing so.

No. 24. ORDER THEREON, 9th November 1861, No. 356.

Vide G. O., 7th November 1861, No. 354.

Commander Hopkins, Her Majesty's Steamer "Dalhousie," I. N., will, as he proposes, tow the Dredge to Negapatam at once and after leaving it there return immediately to Madras, whence he will proceed to Cocanada.

(Signed) T. PYCROFT,
Chief Secretary.
