No. 45. From J. J. FRANKLIN, Esq., Superintendent of Marine; to J. D. SIM, Esq., Secretary to Government, Marine Department, Fort Saint George, dated 8th October 1861, No. 2,796.

I have the honor to acknowledge receipt of the Proceedings of Government of 4th ultimo, No. 280, and in reply to the 2nd paragraph of the Order therein recorded, which I regret to find has been so long overlooked, to state that the Master Attendant's Flagstaff is not of sufficient dimensions for the display of vessels' numbers when two or three are approaching the port at the same time. It is a short mast fitted on the roof of the Sea Custom House and is only used for signaling to the shipping as occasion requires. The Fort Flagstaff on the other hand is a most conspicuous object, visible from many parts of Madras, and particularly well adapted for showing vessels' numbers and displaying Steamer signals. The first may be considered sufficient for ordinary Marine purposes, but the second is required for general convenience.

In obedience to the Order of Government, Marine Department, 4th September 1861, No. 280, I have the honor to annex a memorandum shewing the charges passed by this Office during the official years 1858-59, 59-60 and 60-61 on account of the Flagstaffs at Fort Saint George, Saint Thomas' Mount and Cannanore, and to add that during the expired portion of the current official year no charges whatever have been passed in this Office on account of these Flagstaffs.

OFFICE OF CONTROLLER OF MILITARY FINANCE,
FORT SAINT GEORGE,
28th October 1861.

No. 48. ORDER THEREON, 15th November 1861, No. 367.

In the Orders quoted in the first paragraph of Mr. Franklin's letter, recorded in the above Proceedings, the only change made in respect to the Flag Staffs at Fort Saint George, St. Thomas' Mount, and Cannanore, was that applications for repairs, Signal Books, &c., were to be made to the Marine Board, instead of to the Military Board. Mr. Franklin suggests now that the entire supervision of these Flag Staffs should be left entirely to the Military, under which arrangement the charges for repairs, &c., will be borne by the Military Department.

2. The expenses of the Flag Staff at Fort Saint George, seem to be disbursed entirely by the Military Department. It is certainly desirable, especially in reference to the present budget system, that the same practice should obtain in respect to the other two Flag Staffs, and all charges for establishment, stores, repairs, &c., for these Military Signal Stations should be passed in one Department. The Civil Paymaster is accordingly instructed to discontinue auditing charges for these Flag Staffs, and further orders on the subject will be issued in the Military Department.

Chief Secretary.

Order 15th November 1861. No 367.

In the Orders quoted in the first para. of Mr. Franklin's letter, recorded in the above

Pros., the only change made in respect to the Flag Staffs at Fort St. George, St. Thomas

Thomas's Mount, &
Cannanore, was the
applications for re-
pairs. Signal Books,
&c. were to be made
to the Marine Board
instead of to the Mi-
litary Board. Mr.
Franklin suggests

supervision of these
Flagstaffs should be
left entirely to the
Military, under what
arrangement the

will be borne by the
Mily. Dept.

2. The expenses of the Flag
Staff

Staff at Fort St. George
seem to be disbursed
entirely by the Mily.
Dept. It is certainly
desirable, especially
in reference to the pre-
sent Budget system,
that the same practice
should obtain in
respect to the other two
Flag Staffs, & all ex-
penses for establish-
ment, Stores, Repairs,
&c. for these Military
Signal Stations should
be passed in one Dept.
The Civil Paymaster

ed to discontinue
auditing charges for
these Flag Staffs, &
further orders on the
subject will be issued
