Marine Department

Fort Saint George

Sir

I have the honor to report the total wreck of the Barque "Clark" near Cuddalore on the 7th ultimo at Daylight.

2 There are circumstances connected with the loss of this vessel which appear to me to require investigation. She is said to have been standing direct for the shore, passing the Canes at anchor off the coast, and continuing this course without taking in sail until she ran on shore in the surf.

3 Under these circumstances I beg to recommend that Government will be pleased to order an investigation to be made into the case at Madras on the arrival of the Captain, who is expected in a day or two. The Magistrate at the Town Police might be one Member of the Court, and Mr. Crowther my Assistant the other.

I

I have the honor to be
Sir
Your most obedient Servant
