Proceedings of the Madras Government, Marine Department,
21st November 1861.

Read the following papers:—

No. 76. From JAMES WEIR, Esq., Acting Agent P. and O. Steam Navigation Company; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 9th November 1861.

The Managing Directors of this Company, having determined to reduce their stock of Coals at this port to a minimum of about 200 Tons, and being anxious in consequence, that the 4 Godowns situated at Royapooram, should be either sold or sub-let, I have the honor to request that you will be good enough to inform me whether there *is* any objection on the part of Government to my complying with their wish.

Referred for the remarks of the Superintendent of Marine.

FORT SAINT GEORGE,
13th November 1861.

(Signed) T. PYCROFT,
Chief Secretary.

No. 77. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Marine Department, Fort Saint George, dated Madras, 15th November 1861, No. 3,204.

In returning the accompanying letter from the Acting Agent P. and O. Company, requesting permission to be allowed to sell or sub-let the four Coal Godowns on the North side of Black Town, I have the honor to inform you that I am unacquainted with the conditions upon which the permission of Government was granted for the erection of these buildings, nor do I know why any stipulation should have been made against their being sold or let. The Chief Engineer will probably be informed on these points, and the only suggestion that occurs to me, is that, being built on Government ground and close to the Northern defences of the Town, the Government should have the option of purchasing or renting them at certain rates before they are offered to private individuals. If there were not such necessity for present saving, I should recommend that one, if not two, should be purchased for the Coal now lying exposed outside our own Godowns.

No. 78. ORDER THEREON, 21st November 1861, No. 383.

Referred to the Public Works Department.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. F. Cartledge.
