Proceedings of the Madras Government, Marine Department, 30th November 1861.

No. 87. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Marine Department, Fort Saint George, dated 29th November 1861, No. 3,327.

I have the honor to inform you that the Quarter Master General of the Army has requested me to make arrangements for the transport of Her Majesty's 60th Regiment from Madras to Rangoon, and of Her Majesty's 69th from Rangoon to Madras, the Corps to be moved by wings: also of the Head Quarters and right wing of Her Majesty's 43rd to Calcutta. This Officer does not wish the movements to commence before the 10th January next, on or about which date he is desirous that one wing of the 60th should embark for Rangoon. The second wing of the same Regiment he proposes to bring to Madras at the end of the same month to relieve the wing of the 43rd at Fort Saint George, which would then be ready to embark for Calcutta. The return of the first wing of the 69th from Rangoon would enable the second wing of the 60th to proceed to Burmah and the same vessels that carry it over would complete the transport of the 69th.

2. To effect these movements it will be necessary that the Steamer "Arracan" should be sent from Calcutta so as to be at Madras about the 6th or 7th of January. I solicit therefore that application by Telegraph be made for her, and that if she cannot be spared the "Sydney" or "Australian" be sent in lieu, as one of these last named Steamers has I understand been rendered efficient for trooping purposes.

3. The movements will then take place as follows:—

About 10*th January* 1862—"Arracan" with "Tubal Cain" in tow will leave Madras for Rangoon with 1st wing of Her Majesty's 60th, and

About 31*st January* 1862—Will return with the 1st wing of Her Majesty's 69th.

About 1st week in February—The same vessels will embark the Right wing and Head Quarters of Her Majesty's 43rd for Calcutta, and the "Coromandel" with "Sesostris" in tow will leave with the 2nd wing of the 60th for Rangoon, and

About the 25th February.—Will return here with the 2nd wing of the 69th.

No. 88. ORDER THEREON, 30th November 1861, No. 398.

Ordered that the following telegram be despatched to the Government of India, Marine Department:—

"Thirtieth November.—Steamer "Arracan" required here about seventh January to effect the relief of the Sixtieth Foot to Rangoon, the Sixty-ninth Foot from Rangoon, and for the conveyance of the wing of the Forty-third to Calcutta. If the "Arracan" is not available, please send down the "Sydney" or "Australian."

Chief Secretary.
