No. 17. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, D. P. W.; to J. D. SIM, Esq., Secretary to Government, P. W. D., Fort Saint George, dated 30th November 1861, No. 7,794.

With reference to the Proceedings of Government, No. 1,826, dated 4th October 1861, communicating their Proceedings in the Marine Department, No. 312, dated 28th September last, and calling for a plan and estimate for the erection of a Flag Staff at Cannanore, in the District of Malabar, I have the honor to submit the accompanying letter* from the District Engineer, bringing to notice that the present Flag Staff at that Station is in a sufficiently sound state for further use, and that therefore it is quite unnecessary to incur the expense of erecting a new one. The Superintendent of Marine, who was addressed on the subject, is also of opinion "that a new one is not at present necessary."
