*Proceedings of the Madras Government, Marine Department,
4th January 1861.*

No. 8. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th December 1860, No. 5,871.

Referring to the Proceedings of Government of the 8th ultimo, No. 394, I have the honor to inform you that inquiries were made of the Principal Inspector General, Medical Department, as to whether convalescent men of the Indian Navy could be detained in the General Hospital until the return of their Ships into port. His reply, just received, is to the effect that there are no means available for controlling convalescents or those not under medical treatment.

2. The only course open for adoption seems therefore to be to provide for the men at the Sailors' Home.

No. 9. ORDER THEREON, 4th January 1861, No. 4.

The Superintendent of Marine states that the only course open for adoption, with respect to Seamen of the Indian Navy discharged from Hospital convalescent, is to provide for them at the Sailors' Home. This arrangement will, therefore, be observed, and the charges which may be incurred at that Institution, will be admitted by the Civil Auditor, under paragraph 2 of the Order, 28th November last, No. 409.

Proceedings, 19th October 1860, No. 366.
" 8th November " No. 394.

2. Copies of these Proceedings and of the previous papers on the subject, will be forwarded to the Government of Bombay.

(Signed) T. PYCROFT,
Chief Secretary.

No. 10. To the Secretary to the Government of Bombay, dated Fort Saint George, 4th January 1861, No. 5.

In continuation of my letter of the 28th November last, No. 410, I am directed to transmit, for the information of the Government of Bombay, copies of the Proceedings of this Government, noted in the margin, relative to the rules to be observed by Commanders of Vessels of the Indian Navy, in forwarding men to Hospital, and the arrangement proposed to be adopted in respect to such as are discharged from Hospital, and remain ashore, until re-embarked.
