*Proceedings of the Madras Government, Marine Department,
2nd March 1861.*

Read the following letters:—

No. 15. From R. P. HARRISON, Esq., Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 18th February 1861, No. 412.

With reference to the Order of Government, No. 148, dated 4th April last, I have the honor to request that I may be favored with the instructions of Government, as to how the advance of Rupees 300 made to Lieutenant Sweny, I. N., is to be adjusted, now that the Coast Survey on which he was then employed, has been completed.

Referred to the Superintendent of Marine.

FORT SAINT GEORGE,
20th February 1861.

(Signed) T. PYCROFT,
Chief Secretary.

No. 16. From J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 27th February 1861, No. 637.

Adverting to the Accountant General's letter to Government of the 18th instant, No. 412, (referred to me on the 20th), requesting instructions as to the adjustment of an advance of (300) three hundred Rupees made to Lieutenant Sweny, under the Orders of Government of the 4th April last, No. 148, to enable him to meet contingent expenses for boats, cooly hire, &c., while employed in surveying this Coast, I have the honor to inform you that as yet no statement of expenses on this account has reached me, nor am I officially informed whether the survey of the Coast has been finally completed or not. Lieutenant Sweny proceeded to Calcutta in September last, having, I believe, accomplished all that was necessary to enable him to prepare Charts of the Coast; but in protracting his work on paper, he may find that further operations are necessary. I will address him with the view of ascertaining this point, and request that he will submit a Memorandum of the disbursements made out of the sum at his disposal, in order that they may be admitted, if found correct, and the balance debited against him.

No. 17. ORDER THEREON, 2nd March 1861, No. 79.

Mr. Franklin's letter will be communicated to the Accountant General.

2. The Government desire to be informed whether the expenses of the Survey carried on by Lieutenant Sweny, are borne by the Government of India—and if so, whether the advance in question may not be debited to them at once.

(Signed) T. PYCROFT,
Chief Secretary.
