*Proceedings of the Madras Government, Marine Department,
7th March 1861.*

No. 34. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 26th February 1861, No. 627.

I have the honor to inform you that an application has been made by the Master Attendant at Masulipatam, which is supported by the Collector of the District, for a moderately priced Clock which the Superintendent of Point Divi states to be necessary to enable him to regulate the night watches of the light attendants. The supply of Clocks for the Light Houses has not been usual, some Superintendents probably having their own time-keepers, while others are stationed where means are at hand for ascertaining the time. The Light House at Point Divi, however, stands by itself apart from all other habitations, and I would solicit permission to expend from 30 to 40 Rupees in the purchase of a Clock for the use of the Establishment.

No. 35. ORDER THEREON, 7th March 1861, No. 90.

The Government sanction the purchase, at a cost not exceeding (40) forty Rupees, of a Clock for use in the Point Divi Light House.

(Signed) T. PYCROFT,
Chief Secretary.

N^o 90 - 7 March 1861.

The Govt. sanction the purchase, at a cost not exceeding (40) Forty Rupees, of a Clock for use in the Point Diwi Eight House.
