*Proceedings of the Madras Government, Marine Department,
7th March 1861.*

No. 36. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 30th January 1861, No. 5.

Having considered in Council the practice now observed of paying Batta and House Rent allowances to Officers of the Royal Navy serving on the East India and China Station, under the Regulations founded upon the Despatch of the late Court of Directors bearing date the 10th March 1852, I have come to the determination that those allowances should cease with respect to all Officers hereafter appointed to, or employed with, Her Majesty's Squadron on that Naval Station.

2. I have therefore resolved in Council that no such Batta, and no such House Rent allowance shall be paid to any Officer who may be appointed or may succeed, after the 1st January 1861, to any of the appointments, offices, or stations enumerated or comprized in the above mentioned Regulations; or to any Officer; or to the Ward-room or Lieutenants' Mess of any ship or vessel which shall be Commissioned after the 1st January 1861; or shall arrive within the geographical limits laid down by those Regulations after the same date.

3. I have communicated this Resolution for the information of the Lords Commissioners of the Admiralty and you will be careful that it is duly observed and carried into effect.

No. 37. ORDER THEREON, 7th March 1861, No. 93.

Communicated to Commodore J. McCleverty, Commanding the East India Station, and to the Civil Auditor and the Accountant General.
