Proceedings of the Madras Government, Marine Department
26th March 1861.

No. 77. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 22nd March 1861, No. 903.

With reference to the Proceedings of Government of the 15th Instant, No. 106, I have the honor to inform you that Dr. Bonstead made his application to me in person for the first advance of (300) three hundred Rupees. The "Dalhousie" left on the 28th August 1860, and I think he called on me on the following day when he was requested to make the application in writing. On the 3rd of September the accompanying note and receipt were received, which were considered sufficient record of the application.

Dr. Bonstead's request for a further advance was likewise made personally, as was his statement that he no longer belonged to the "Dalhousie." The original telegrams forwarded with my letter of the 28th September, No. 4,288, are herewith enclosed.

No. 78. To the Secretary to the Government of Bombay, dated Fort Saint George, 26th March 1861, No. 120.

Referring to your letter of the 6th Instant, No. 181, I am directed to forward copy of a letter from the Superintendent of Marine, dated 22nd Instant, No. 903, together with the original enclosures received with it, relating to Assistant Surgeon Bonstead.

(Signed) T. PYCROFT,
