*Proceedings of the Madras Government, Marine Department,
15th May 1861.*

Read the following papers:—

No. 21. From Lieutenant Colonel W. F. MARRIOTT, Acting Secretary to Government, Bombay, to the Secretary to Government, Fort Saint George, dated Bombay Castle, 17th April 1861, No. 305.

I have the honor to forward copies of a letter from the Principal Inspector General Medical Department, No. 714, dated 3rd instant and of a report from the Commander-in-Chief of the Indian Navy, No. 323, dated 10th idem, and to convey the request of His Excellency the Governor in Council, that His Excellency the Governor in Council at Fort Saint George will have the goodness to cause the Bombay Assistant Surgeon and Medical Subordinate of Her Majesty's Steamer "Dalhousie," I. N. to be relieved by Madras Officers and directed to return to this Presidency.

From B. P. ROOKE, Esq., Principal Inspector General Medical Department, Bombay, to the Secretary to Government, Marine Department, dated 3rd April 1861, No. 714.

I have the honor to state, that I have ascertained from the Principal Inspector General Medical Department, Madras, that there would be no difficulty in furnishing Her Majesty's Steamer "Dalhousie" with a Madras Assistant Surgeon and a Madras Medical Subordinate, the same as for Her Majesty's Steamer "Coromandel," both vessels serving, I believe, under the orders of the Madras Government.

I would beg to suggest therefore, that, if there is no objection to the arrangement on the part of the Commodore Commander-in-Chief of the Indian Navy, the Madras Government may be moved to issue the necessary instructions to relieve the Assistant Surgeon and Medical Subordinate of Her Majesty's Steamer "Dalhousie" named in the margin, belonging to this Presidency, and that they be directed to return immediately to Bombay by the Peninsular and Oriental Company's Steamer.

Assistant Surgeon A. Taylor.

1st Hospital Assistant J. A. Cunha (No. 324.)

No. 323 of 1861.

REPORT.

Marine Department.

I have no objection to offer to the proposal of the Principal Inspector General, but if the Assistant Surgeon and Medical Subordinate of the "Dalhousie" are to be appointed from the Madras Army, they should be instructed to conform to the Rules and Regulations of the Indian Navy.
