Proceedings of the Madras Government, Marine Department,

23rd May 1861.

No. 36. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th May 1861, No. 1,457.

The Indian Navy Steamer "Coromandel" having arrived at Madras after the trooping season has passed, I have the honor to suggest that she be sent to Rangoon to lay up during the monsoon. She will be safer there, and being in fresh water, her bottom will not become so foul as it would if lying here.

2. It is intended that two Regiments should be brought from Burmah as soon as the season will permit. The "Coromandel" and "Dalhousie," each with a sailing vessel in tow, will be able to effect their transport in one trip in September next.

No. 37. ORDER THEREON, 23rd May 1861, No. 175.

Resolved that the Commander of the "Coromandel" be directed to proceed to Rangoon, and lay up there during the monsoon.

2. On the season permitting, the Steamer will be employed in transporting Troops from Burmah to this coast.

(Signed) T. PYCROFT,
Chief Secretary.
